How did you hear about AAA Swim School? _____

List all physicians including specialist your child has seen or is scheduled to see (excluding well child visit checkups) as well as any physical exceptions, (examples asthma, acid reflux, seizures, prone to ear infections etc.)? _____

I give permission for me/my child to participate in aquatic activity/training. I/my child am/is in good health and physical condition and am/is not suffering from any condition that would prevent me/my child from engaging in this activity.

Photographs and video may be taken by Abrams Aquatic Academy in conjunction with lessons. I understand and agree that they may be used for informational and advertising purposes.

Please read carefully and be aware that in registering your minor child for participation in this program you will be waiving and releasing all claims for injuries you or your child might sustain because of participation in any class or activity conducted by Abrams Aquatic Academy, by its agents or instructors. As a parent/guardian of a participant in Abrams Aquatic Academy, I recognize and acknowledge that there is certain risk associated in swim activities and training. I agree to assume full responsibility of any injury, property damage, or loss which I or my minor child may sustain because of participating in all activities connected with or associated with Abrams Aquatic Academy. I agree to not hold Abrams Aquatic Academy from liability resulting from the use of premises waive and relinquish all claims against Abrams Aquatic Academy. This includes the owners and instructors from any claims or injuries that I or my minor child may sustain because of participating in any Abrams Aquatic Academy program(s). I have read and fully understand the above waiver and release the above named (facility, owners, instructors, etc.) from all claims, and it shall not be modified.

Policy and Procedure

Survival Swim Training

- Classes are held Monday through Thursday, in 10-minute increments.
- Any weather-related make-up lessons will be at the instructor's availability on Fridays of the **same week**. Make-up lessons are not carried forward. If a makeup lesson is offered on Friday and the student is unable to attend that is considered a missed lesson.
- Classes are **typically** 4-6 weeks, 4 days a week for 10 minutes in length. Please note that all children are individuals, and we cannot predict exactly how long it will take your child to complete the program.
- If a child has a diaper accident in the pool and it is not contained, AAA is legally required to shut down for the remainder of the day and treat the pool. AAA will make every effort to contact you as soon as possible and notify you of your cancelled lessons. Please be aware that this could be anyone of our children at any given time. AAA teaches infants and children, and we need to be sensitive to this issue.
- Please refrain from feeding your child one to one and a half hours prior to lessons.
- AAA will have closed during the following holidays during each Calendar year: New Year's Day, Good Friday, Memorial Day, 4th of July, Labor Day, two weeks at Thanksgiving and two weeks at Christmas. However, weather pending AAA may limit open hours during the winter months as they see fit or extend periods of shutdown.

Weather Policy

Please note that the weather policy for swimming is based on the following guidelines and is regarding all weather-related cancellations. Weather cancellations are not cancelled lessons by the instructor but based on Florida Guidelines for Swimming Instructors.

- Lessons will be cancelled if there is lightening within a 10-mile radius for 30 minutes. We will do our best to notify you in as much time as we can. However, please understand we are in the pool working hands on with children we cannot always give advanced notice.
- Please also know that until 30 minutes before your scheduled lesson we will not know in advance if lessons will be cancelled. In cases of severe weather forecast for an extended period we may cancel for the rest of the day. It is on a case-by-case basis.
- **Credit's for weather cancelled lessons will only be given if there are two or more missed lessons per week.**

Missed Lessons/ Sick Policy

- If you know that your child will be out, please inform your instructor right away. Unfortunately, because we work in a pool with little children, we cannot always reply to you immediately. You can leave a message at either 772-834-3744 or 772-207-8734.
- If an instructor or AAA cancels a lesson other than for weather, you will be fully credited on the following weeks invoice.
- **If you miss a lesson it is considered a missed lesson, there will be no credit or make up lesson.**
- **If your child is sick and cannot attend lessons, you will be charged your regular weekly rate. You pay for your time slot, not attendance.** For the safety of our students and instructors, children must be fever/symptom free (without medication) for at least 24 hours before returning to lessons. If your child is **not** fever/symptom free upon returning to lessons, the instructor will not resume lessons. Please understand the safety of all our students and instructors are our utmost importance. **It is at the discretion of our instructor to request a doctor note to return to lessons.**

- If your child contracts any communicable childhood disease (chicken pox, hand foot mouth, measles, etc.) you must notify AAA immediately. You must also provide a written note from your pediatrician to resume lessons.
- If your child gets sick and must miss consecutive days, you have the option to hold your time slot by continuing to pay your normal regular weekly rate. If you choose to remove your child from the program during recovery time without paying the regular weekly rate you will be placed back on the waiting list.
- **Please remember that upon reserving your time slot you are reserving the time of that instructor and your payments are based upon that and not attendance. There will not be any credits for missed days, sick days, or vacation days.**

Initial: _____

Swim Diapers

- All Children who are not potty trained currently or have not been potty trained for longer than 6 months must wear both disposable and reusable swim diapers. If both are not on at time of lesson, the lesson will be unable to occur. **There is no exception to this rule.**
- If your child has an accident in the pool and it is contained in the diaper, upon you realizing this you must notify your swim instructor immediately.
- You can purchase both disposable and reusable diapers from AAA at the following rates. Reusable diapers are \$10.00. You will be billed on the following weeks invoice for the swim diapers. If it is your last week of the program you will receive an additional invoice which must be paid prior to graduation.
- All swim diapers must fit appropriately. There is a “Two Finger Rule” for swim diapers if you can put more than two fingers between the leg of the child and the diaper it is not a proper fit. If you cannot than it is a proper fit.
- **Please do NOT wring out reusable diapers into the pool. This is unsanitary, you can use the restroom or the exterior of the facility for this purpose.**

Parking

- Please note that there is limited parking, and we request that you only arrive a few minutes prior to your lesson to prepare for your lesson.
- We request that at the end of your lesson you change your child in a timely manner to free up parking for the next client.

Pricing and Payments

- Roll-Over-Float- \$75.00 weekly rate for Monday to Thursday once a day lesson.

PG 3 of 4

Guarantee

Here at AAA we stand by the Certification obtained through PediaSwim. We believe that a Certified Instructor can effectively train your child in a Survival Swim Skill and therefor can provide a 6-week guarantee. If we have not successfully taught our child a survival swim skill in 6 weeks you will not pay for any additional weeks to complete the program.

****Please note the only exception to this guarantee would be behavior or medical issues.** Initial _____
